

FAQ

Question:

I have large MP3 music collection - more than 10 000 MP3 music files. From "Computer News" TV show on CNN I heard that File Organizer is the most powerful MP3 music organizeing program. Can I be sure that it will organize all my MP3 music?

Answer:Yes. File Organizer will be perfect salvation for your music collection organizing. All your MP3s and other music files will be organized by genre, artist, and album name using the music method you will choose so you will be able easily navigate among them and find audio record, that you need, in seconds.

Question:

I heard that File Organizer is very powerful, but also it is very easy-to-use. It is true? I want to organize my MP3 music collection automatically, in some easy way. Will File Organizer fit to me?

Answer:Yes. File Organizer is not only powerful MP3 music organizer - it is also very easy to use it with it's start-up step-by-step wizards those will help you to organize all your MP3 music automatically in a very easy way.

Question:

I have large MP3 music collection. Can File Organizer sort my MP3 music?

Answer:Yes. With File Organizer all your MP3 music will be in ideal order. It is very easy to start - just download File Organizer and run it. It has user-friendly step-by-step wizard using which all your MP3 music not just will be organized and sorted - it will be organized and sorted exactly as you want.

Question:

I had collected my music collection for the years. Now I am appending several disks full of music every week and it takes more and more time to maintain my music collection. Can File Organizer organize all my MP3 music automatically?

Answer:Yes. File Organizer, being the leading MP3 music organizeing program, have all that is needed for full-automatic and qualitative MP3 music organizeing: it know all existing music genres, artists, music albums and will organize all your MP3 music fast and qualitative.

Question:

I want my MP3 music to be organized as I want - by artist, by genre or somehow else. Can I do it with File Organizer?

Answer:Yes. File Organizer support both variety of popular MP3 music organizeing methods (by artist, by genre, etc.) and also gives you ability to select one of them or select some custom, your own method of MP3 music organizeing. So, with File Organizer you are able to organize all your MP3 music exactly as you like.

Question:

I have large amount of MP3 music, some of it is packed in ZIP and RAR archives. Can I sort with File Organizer my music inside of archives too?

Answer:Yes. File Organizer is so powerful that it will even organize MP3 music inside of all major archive types (both ZIP and RAR). And even more - It will not just organize archives by creation date - it will view and analyze their content, according to which and archive processing rules, that you can easily specify, it will rename archive and append it to archives database, or extract archive content and process each of files inside of archive separately. This possibility may be very useful, for example, if you have archives with music files inside - it can process all music files in archives and add

them to your music library.

Question:

Most files in my music collection - is MP3 music. But in it are also presented music files in other formats. The best music organizers I had seen before organized only MP3 music. Can File Organizer organize not only MP3 music, but also other music formats?

Answer:Yes. File Organizer, being a leading music organizeing software, organize not only MP3 music of all types (ID3, ID3v1, ID3v2, ID3v3, ID3x - all is supported) - it also organize music and media in 987 music and media formats and count of supported music formats is increasing every day. With File Organizer you always may be sure that all your music and media will be organized, even if your music in rare format - fast, easy and exactly as you want.

Question:

File Organizer sorted my MP3 music very good. Can it, in addition, sort my photo collection too?

Answer:Yes. Even if you have millions of images in different formats, File Organizer will sort them all, by content and creation date, giving you ability to control process with "Realtime information" tab page on File Organizer main window. You also may view all media, that was processed, in the separate window, specialized for that purposes - in the Image previewer.

Question:

I am glad that my MP3 music collection is sorted by File Organizer and now it is in ideal oredor. I know that, in addition to MP3 music, it also organize other media files - photo, video, books, etc. Can File Organizer sort my program installation packs?
