

File Organizer v.4.66 Released

Monday, 15 January 2007

Was released File Organizer v. 4.66

Differences, related to previous versions:

- Support of most widely spreaded archive formats. Now File Organizer will be able to process archives content or, according to user settings, rename archives using their internal content and properties.
- Appended functionality to the panel with realtime information.
- Appended playlists to Image and Media previewers.
- Increased speed of file processing engine.

Last product version may be purchased in our online store. All registered File Organizer users can get it for free.
